

# COVID-19 MOBILE VACCINE CLINIC

WITH THE SINGLE-DOSE JANSSEN VACCINE

**WHERE** Pershing County Senior Center  
630 Western Avenue, Lovelock, Nevada

**WHEN** April 16, 2021 | 9:00 AM to 4:00 PM

**Walk-up registration – first come, first served**  
**Available to all Nevadans 18+, free of charge**

## WHY GET A VACCINE?

- COVID-19 vaccines can protect you, your family and loved ones from serious illness and death from COVID-19.
- All authorized COVID-19 vaccines went through a rigorous approval process and are safe and effective.
- If enough Nevadans get vaccinated, we can keep our businesses, restaurants, casinos, and schools open and return to the things we miss.
- Widespread vaccination will end this pandemic, the way it ended smallpox, polio, and measles.
- Your privacy is protected when you get a vaccine – no personal information is shared with the federal government.
